# MARINE CORPS LEAGUE

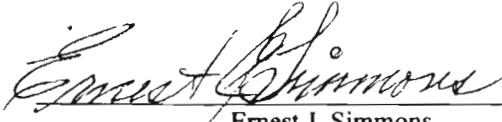

National Headquarters

31 December 2005

To: Commandant Frank S. Kish, All Marine Corps League Detachments, Young Marine Detachments and Regular and Reserve Units.  
From: Ernest J. Simmons National Marine Corps League Marksmanship Chairman.  
Subject: Final Results of the Marine Corps League National Pistol and Rifle Competition.

1. This past year with all the bad weather and floods, many of the east coast Detachments could not enter the 2005 competition and in the south west they had forest fires. We hope the coming year will work out better for our marksman.
2. If you notice the winner's rosters for the pistol and rifle we have many areas where there is no competition. On the Master rifle roster members that had previously competed could have won trophies if they would have entered this years matches. A member does not have to be a high master shooter to win a trophy.
3. The program is set up so any member of the Detachment or Units that cannot field a team and is interested in entering the competition can register as an individual and be eligible for a trophy. First time competitors will be classified as a MASTER for the current match, after firing they will be classified according to the score fired. This classification will be used for any of the matches entered in the future. All NRA classification will be honored upon submitting a zerox copy of the classification card.
4. The scores and classifications in this postal match have been reviewed by the committee and the selections, as determined by the committee are final. There will be no contesting of the committee's selections of the classification and awards.
5. The awards will be presented at the Falls Church Staff meeting . They can be picked up by the Detachment or unit receiving the award or by the Department or Detachment Commandant in attendance for distribution to the Detachment or individual recipient. The trophies that are not claimed at the Staff Meeting will be mailed to the Detachment or Unit of team Captain.
6. This year 2005 the Young Marine Units were invited to enter the National Marksmanship matches in a special category. A handicap class will be honored arrangements can be made by contacting the Chairman at the number listed below.
7. If any name or other designation in the brochure is misspelled please contact the office of Ernest J. Simmons to make the corrections as soon as possible but no later than 25 January 2006. Name corrections will not be made after the trophies are engraved.
